Full Stack Software Developer

Freelance, Prairie Hill Learning Center 04/2012 - 06/2018 Roca, NE

- Developed WordPress sites utilizing HTML, JavaScript, PHP and jQuery
- Launched freelance business, securing 5 local clients, by bootstrapping Ruby on Rails development for e-commerce and web services

Lead Guide

Prairie Hill Learning Center 08/2006 - 09/2014 Roca, NE

- 8 years experience as an assistant and lead in the Young Children's Community (18-36 months old)
- Certified AMI Assistant and Lead Guide, specializing in Assistance to Infancy for early childhood education

SUMMARY

Experienced Senior Software Engineer with over 11 years of experience in fintech and cybersecurity, expert in Ruby on Rails and API integrations. My key achievements include enabling accurate tax compliance for 50,000 TaxJar users via Amazon Seller Partner API integration and saving 100+ developer hours annually through automation of tax remediation analysis. Seeking a Software Engineer position, where I bring my API integration and Ruby on Rails expertise to support your mission.
